

2 GREAT MP3's OF THE MONTH FROM CREATION RESEARCH

FROM CREATION TO CHRISTMAS Many Muslims claim Allah not the tinselled trees, but the lowly manger - the real Christ was born to be Saviour. Why did God do it that way - How did the wise men know - why a star - what star - why Nazareth and Egypt? One of our most popular Bible studies is now available on CD. In the season of presents - His presence is the one you need.

ONLY \$5.00AUD each.

THE LIMITATIONS OF SCIENCE This talk by John Mackay shows how our views of science are shaped by our worldview. It tells of the limitations of science in regards to both Creation and Evolution, and how these limitations can be used for witnessing.

ONLY \$5.00AUD each.
