DON'T MISS IT YOU MUST BOOK NOW!

Three days of wonderful Bible teaching and fellowship in the Lord Jesus as we learn more about the love of our Creator and Saviour and how to defend and share His Word. Our speaker will again be the renowned Bible teacher and international Director of Creation Research, John Mackay.

John has preached worldwide and debated leading Atheists such as Richard Dawkins, plus Muslims and leading anti-Christian Academics. God has blessed John with success in exposing the falsehood of attacks on the truth of God's Word from Genesis to Revelation. But more than that, God has gifted John with real insight into God's Word which he will be sharing this coming Easter at the Goldfields Easter Convention. Come and get gold without price. Share wonderful fellowship with other saints and gain some wonderful insights on God's eternal plan for salvation and how to share it with others. Ponder yet again the good news our Heavenly Father planned from the very beginning. We have also asked John to do several public outreach meetings on the historical and scientific evidence God's Word is true from the beginning. So invite unbelievers to this unique opportunity. Admission is free, and offerings will be taken at all meetings to defray expenses. Call now and let us know you are coming so we can cater for you all.

The convention will be held in the Baptist Church hall, 20 Templeton St, Castlemaine, Victoria which is only a block away from Castlemaine V Line station which also has bus service to Maryborough Vic. So it is possible to travel by bus or train to the meetings. We thank the Baptists for their generosity in loaning the hall to the Convention Committee.
