

## WICKED LEADERS

"LORD, how long shall the wicked, how long shall the wicked triumph? How long shall they utter and speak hard things? and all the workers of iniquity boast themselves?" Psalm 94:3-4

In New Zealand the university students told me to be careful what I said as the managers of the theatre we were using for the creation lecture were homosexuals. In England, the School Teacher warned me to speak with care as one RE teacher had already been severely disciplined for offending a 15 year old homosexual student. In Canada, the policeman said the time was soon coming when a Christian policeman would be unable to carry out a "lawful order" because man's law would increasingly contradict God's law about homosexuality. In the USA, a court judge has just lost his job and been fined for refusing to remove God's law - the Ten Commandments - from his court room. What price are you willing to pay to stand for Christ? The observations above, from our last three months across the world, tell us the time is soon coming when you will have to take a stand. Evil men are in high places in the western world. They have built their world view on evolution and they are not just anti-creation, they are anti Christ - the Creator. To defeat them you will have to expose evolution for the deceit that it is and, in doing so, you'll have to be prepared to pay the price. Are you willing to stand for God and for good, against evil and evolution, for Christ and Creation, against sin and for salvation? May God grant us the wisdom and strength to do so in the right place, in the right way, at the right time.
