Quote: Stephen Gould on Fossil Record

Written by Administrator Wednesday, 26 September 2012 11:48 -

"All paleontologists know that the fossil record contains precious little in the way of intermediate forms; transitions between major groups are characteristically abrupt."

Stephen Jay Gould (1941-2002) Professor of Geology and Paleontology, Harvard University, "The return of hopeful monsters". *Natural History*, vol. 86, June-July 1977, p.24.
